04 // VENGEANCE TACTICAL DISASTERS

⚠ CAUTION · DISASTER RULES

- All ingredients are regular food. Spicy, salty, bitter — it's about the taste, not your health.
- Never use: vinegar, pure alcohol above 40%, undiluted hot sauces in large doses, or any non-food liquid.
- If anyone has gastritis, allergies, diabetes, or is pregnant — skip the disasters, play the classics.
- It's a joke. If anyone's actually suffering, game over for everyone.
